***English, Modern Languages & Mass Communication***

Dr. James Hill presented the proposal to add a new course ARAB 1002 Elementary Arabic II to the Department of English, Modern Languages and Mass Communication.

The rationale for the proposal is that the Department of English, Modern Languages and Mass Communication requests approval of ARAB 1002, the second course in the elementary language sequence. The addition of ARAB 1002 will provide an opportunity for students who take the first course to complete the language sequence, and it supports the University's mission of fostering global learning through its curriculum.

ARAB 1002    Elementary Arabic II

3(3-0)

The proposal will be voted on at the next reading.
