BIOGRAPHICAL SKETCH

Alice Coachman, the only member of the United States' 1948 women's Olympic track and field squad to capture a gold medal for the United States, was born at Albany, Georgia, November 10, 1921. She is the third of six children born to the late Fred Coachman and Evelyn Jackson Coachman.

Her early education began at Monroe Street School. It was here, when only in the fifth grade, that her teacher, Cora Bailey, discovered that she was a natural runner. After completing one year at Madison High School Miss Bailey hustled her off to Tuskegee Institute.

Alice won her first national title in the high jump in 1939, at Waterbury, Connecticut, when she competed in the American Amateur Athletic Union trials, a title she has held ever since. In 1943, at Cleveland, Ohio, she won the 50-meter dash in the A. A. U.

The greatest pre-Olympic year was 1945 when she participated in the A. A. U. trials at Harrisburg, Pennsylvania. At that time she captured five firsts winning the 100-meter dash over Stella Walsh, the 220-meter dash, the broad jump, the high jump and the 50-meter dash. When the meet was over Alice was able to carry the high point trophy with her. In 1946, at Buffalo, New York, she won three events, taking the 50- and 100-meter dashes and the high jump for the eighth time.

In addition to being a track and field star Alice is an outstanding basketball competitor.

She transferred to Albany State College in 1947 where she continued her track work along with her home economics studies.

In the 1948 A. A. U. conclave she established a new American women's record in the high jump when she cleared the bar at 5 feet, 4 and 13/16 inches. Alice soared to the unprecedented height of 5 feet, 6½ inches to win the 1948 Olympic women's high jump.

CURRICULUM COMMITTEE
ALMA MATER

1. Albany State, we dearly love you,
    Whose walls are inscribed
    With knowledge so true,
    So solidly built on this foundation—
    A union of work and inspiration.
    Teachers for those who strive for success
    To thee we give praises above all the rest.

2. Thy jubilant colors of blue and gold
    We’ll ever honor—ever behold
    Thy name is an anchor upon life’s sea,
    And sailing, we put our trust in thee.
    In thee, dear school, we see all the best
    To thee we give praises above all the rest.
